A-1013 Wien, Postfach 201

Email: wien@slclub.at Internet: www.slclub.at

::: a club introduces itself :::

Founded in December 1981 the club offers the following member benefits:

Organized trips, national and international events, exchange of experiences, advice in restoration and reparation

It is a genuine members' club, non-profit-making and run purely for the benefit of its Members. The Mercedes-Benz Club caters for all aspects of the marque - from vintage through classic to the very latest models, with a range of benefits, activities and events extending from technical through driving to purely social. Many Mercedes garages offer discounts on parts and service to Club Members.
